

WQI-TG-002 Public Technical Review

Comment Form

WiFi Quality Scoring Architecture · Version 1.0 · PTR-1

Review window: 4 October 2026 to 3 November 2026 at 23:59 UK time

Use one row per substantive comment. Additional rows may be added. Comments should identify a specific clause or figure wherever possible. Editorial comments may be grouped. Suggested wording or a proposed change is welcome but not required.

Suggested comment types: Technical — effect on scoring architecture or assessment interpretation; Normative — force, testability or consistency of a requirement; Editorial — terminology, reference, figure or presentation issue.

Submit the completed form to research@wifiquality.institute by 3 November 2026 at 23:59 UK time.

Submission terms

All material comments will receive a recorded disposition. WQI may publish the substance of material comments and WQI's response. Name and organisation will be attributed only if the reviewer elects attribution above. Email addresses will not be published.

By submitting this form, I grant the WiFi Quality Institute a non-exclusive, royalty-free permission to reproduce, quote, summarise and adapt the submitted comment and any proposed wording for the purposes of reviewing, revising and publishing WQI-TG-002 and its associated review record.

Privacy notice

WQI will use the name, organisation, email address and comment content supplied for PTR-1 to administer the review, contact the reviewer where needed, assess and disposition comments, and maintain the review record. Personal data will be retained only for as long as reasonably necessary to administer and document the review and then handled according to WQI's applicable records and privacy practices. Email addresses will not be published.

☐ I have read the submission terms and PTR privacy notice above.

This form may be reproduced, completed and submitted solely for the purpose of participating in the WQI-TG-002 PTR-1 Public Technical Review.
